A Little Animation Appeared in Transactions Though Both Sides Are Cautious.

news from Liverpool and as consequence Month-

Private advices from Alabama up to May June July to the effect that the crop is the latest August for are to the effect that the crop is the latest ever planted. The seeding has been bad and colly about 15 percent was up. Neverthelasa the outlook is fairly good, in fact rather encouraging.

Heiders can not get quotations for their spot February March a saked bold: years and below he leaving other good ordinary have and below he leaving other good ordinary.

pary and below hie, leaving other grades unchanged. New York advanced all spot prices [-15c. Salen in Liverpool were liberal, being closed stoady. Highest for August 5 5.90; high for October 5.95, low 5.8 lowing are the quelations:

Liverpool futures closed at an advance of HO1-64d, New York 4 to 5 and New Orleans a to \$ points. This was better than expected, as both sides

waiting crop developments and are in- July clined to let speculation alone. Houston expects tomorrow 850 to 1606, October ... against 221 last year and 445 in 1895. New Orleans expects 1000 to 1500, against 1751 Last year and 1851 in 1895.

Cargill & Richardson say of today's cotton April market:

The increasing spot business in Liverpool and strength in futures caused cotton to rule on the total strength in futures caused cotton to rule on the total strength in futures caused cotton to rule on the strength in all markots today, 14,000 rules were taken in Liverpool at firmer all though unchanged prices, and deliveries were quoted at the close 4-8d higher than reater on the county of the close 4-8d higher than reater on the close 4-8d higher tha

od news.

The impression is that good Liverpool adtes will be received the balance of the
rek, and that we will ame one of those bere-Whitaunide advances. So may it be-

New York, May 17.-8, Munn, Son & Co. say of cotton. The opening was firm, 182 roints higher on improvement in soot de- Totals five days 25,105 mand at Liverpool. On covering and outside buying the market advanced 50% points further. The close was stordy, I point lower

The present outlook does not warrant the The organic callions does not warrant the one-liminar that another bir even will be alsed. Service inharmable features a ready pisting are ever and to bring about a worse enfolion of thous later on.

The seatile install is an well sold that princers are unable to meet connectioner requirements and present orices of cotion archie lowest on record for this season of the east the building is undoubtedly the effect of the on and we adverse the purchase of cotion on any define.

New York Cotton Market.

New York, May II. From the opening to the close the shorts were kent in an uncase. frame of mird and at times covered freely as a result of the builtish information from the cotton belt abroad and in fact nearly all the of cotton best abroad and in fact rearly all the pews. The market started firm at 187 points higher. The bester tooling at the oceanine was due to a measure to unimistalicable evidences of firmness in the future department and a renewal of heavy demand for application at Libertool. Frivate cables attended the Eurocean settion traffs had capader of the weakly weather building as builth. Teday's mior mation from the South led to the increasion that takes were hardy mediat in a number of pections, that the cross was not making good. bereichers doubtiel buille Among the ta-fors contributing to the firmness was a many advance in the New Orleans market primarity out to increased sales at Literacol and ta-worshie Weather remote which led to a bear scare of May appris The closing was steady 4 to 3 boints not higher.

difficult to buy in any leading make. Frint cloths dull but very firm, some good orders placed for full lines of famy prints, nostly at value. Gingheins were peared and very firm. Worsted dress goods tending against

nor's Death Recovered-Large Transactions in Bonds.

New York, May 17.-When the newspaners announced Monday morning that some of the most powerful financial interests in the country had banded themselves together for the aupport of prices in the stock market, it dissipated largely the timidity of \$2.60 the holders of that group of securities which had been so marvelously increased in price under the favoring activity of the late ex-5.50.62 under the favoring activity of the late ex-5.85-64 Governor Flower. Bears paysed in their pur-5.66-68 pose and covered about contracts left ourpose and covered short contracts left out-5.63-11 stending. The capitalists behind the Flower

group apparently felt some succuragement at the firmness and confidence displayed by the market since the crisis that they made up their minds today to complete its rebabilita-tion and to but prices back to where they were on Friday last. It was not until the latter part of the day that this burnows seemed to be seriously in band in fact, the Flower stocks as a group were consucu-ous during the early part of the day. Their bomition seemed to be left to the na-tural course of events, and the general trend of the market.

of the market.

Some very large transactions is bonds, expecially in recent or contemplated issues of milroads of the 3ts and 4 per cent arades, were also in evidence. The statement of St. Paul's carnings for the second week in May showed an increase of over 124.00, compared with the corresponding reck last year. Lundon showed a favorable disposition toward. dan snowed a lavorable disposition toward American railroads. The market gradually but persistently hardened white these sa-rious influences early in the day, bouthern Parific, Chicago Terminal, the from and Stea shares. Sugar and Tobacco and New York municipal corporation stocks advancing

sharply Job sharply, 15th late afternoon the market lenders 15th in the late afternoon the market lenders 15th minertook to much un. Brooklyn Transit to where it was last Frienz. This they did 15th 15th lenders and held it there through a Bood of offerings and held it there to the close, neer 5 notices over vectoriar's close. People's Gas, the Federal Steel stocks. International Paper, Rock Island and Atchison preferred are from 1 to over a boints higher. The relironds shared very generally in the latter strength of the market, the close being hyporant and active at the very tip. The large demand for bonds cought perready at prohibitive brices.
